

Some say boats only make you happy twice – the day you buy them and the day you sell them. But the moment we step inside Simpson Marine's offices in Hong Kong – one of Asia's leading yacht dealers – we realize this is far from the truth.

Boasting a team truly motivated by their business, it quickly becomes apparent that Simpson Marine loves everything about boats and the lifestyle that comes with them.

The company's history is as interesting as it is impressive. Founder Mike Simpson started the business in 1984 after recognizing that Asia presented a unique growth opportunity.

有人說，遊艇只讓你快樂兩次——買的那天 and 賣的那天。然而，邁進辛普森遊艇香港總部（亞洲領先的遊艇經銷商之一）的瞬間，我們便意識到，事實遠非如此。

辛普森遊艇擁有一支充滿熱誠的團隊，對遊艇的各方面及其寓意的生活方式，都甚為熱衷。

公司的歷史相當有趣且引人注目：創始人麥克·辛普森洞察到亞洲的獨特良機後，便於1984年成立公司。
